CYCLE OF DECISION

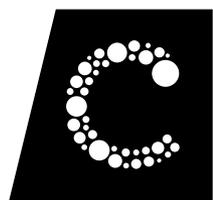

The whole process can be followed by everyone at www.cascaisparticipa.pt

1

Preparation of the process

Rules evaluation and communication strategies

2

April
May

RECEPTION OF PROPOSALS

9 sessions are organized – 2 for parish (one in English/French and Portuguese sign language)

The sessions always take in account accessibilities

Georgina Cornejo

Bruno Pifano

2

April
May

RECEPTION OF PROPOSALS

1. The participants gather around tables where they present their ideas or projects. Each group has a moderator working with the organization as a volunteer.

2. After voting only two projects come out of each table. One spokesperson will explain the project before a plenary of the participants.

2

April
May

RECEPTION OF PROPOSALS

3. After the presentation of each proposal and respective placement in one of the walls

4. Each citizen will vote in 2 different proposals (one from the heart and one coming from reason).

3

TECHNICAL ANALYSIS

Cost: each project cannot exceed 300.000,00 €

Time: it should be concluded between 24 and 36 months

Area: The ownership of the property is evaluated by the patrimony the areas of competence and the interest of services are evaluated as well as under way municipal plans

Maintenance: The costs of maintenance and future management are evaluated

May
September

4

VOTING

Since 2012, and until 2017, the vote is done by SMS.

It's easy and practical.

One telephone number two votes. (different areas)
