BIO

Me chamo Silvana Mello, sou artista plástica, gaúcha, brasileira. Tenho no surf, skate, feminismo, movimento punk, pop arte e em minhas memórias de infância as maiores referências para o meu trabalho. Minha obra é calcada inteiramente sobre a figuração, onde procuro traduzir os meus sentimentos e impressões através de pinturas, bordados, colagens, assemblages, esculturas, nos mais variados suportes.

Nos últimos vinte anos tenho trabalhado basicamente com arte autoral, assim como em colaborações, oficinas, e encomendas comerciais. Meu trabalho tornou-se mais conhecido quando fui representada pela Galeria Choque Choque Cultural. Neste período participei de diversas mostras, e exposições solos e coletivas no Brasil, Estados Unidos e Reino Unido. Tenho peças em coleções importantes da cena contemporânea brasileira, e de alguns colecionadores ingleses e portugueses.

Vivo em Portugal desde 2019, em São João do Estoril, Costa de Lisboa, onde tenho encontrado inspiração nas lindas paisagens e no simples cotidiano, para criar peças novas.

Pintura de Azulejos <A partir de 16 anos>

Através da tradicional técnica de pintura sobre azulejos, mas sob um viés contemporâneo, propõe-se abordar questões de gênero, com foco nas temáticas feministas, que motivarão o aprendizado técnico do desenho e da pintura sobre este material cerâmico. Atividades com vagas limitadas. As inscrições devem ser feitas presencialmente no Balcão de Atendimento do Espaço Leitura, a partir das 15h do dia anterior. Duração de 4 horas.

Dias 11, 18 e 25 (quartas), 15h.
